- It is mandatory that the boats must be equipped with a buoyancy body.
- Obligation for a buoyancy aid for male and female pupils A, is dependand on the jury decision..
- We reserve the right to extend the obligation for a buoyancy aid for further age groups due to high water levels of the river Ems!
- The length of the courses may be adjusted due to high water levels by a jury decision.

### **Start times/late entries:**

- The start times may be altered due to the entries submitted. Late entries are only possible according to the DKV-Marathon Rules.
- Furthermore, races with the same start time may be startet together, but are rated separately.

### **Boat measurement:**

- Immediatley before the start of the competition when the boat check in takes place.

### **Information regarding start times:**

Other than usual, the start times will be set in start groups, depending on the length of the course. First, the start groups will be sorted by the pre-starter and will then start the race from the headquarter. After every start group, there will be a victory ceremony. This time will also be used to arrange for a basic cleaning of the sanitay facilities.

At the same time, the next group will be called to get ready for the competition at the same location, where the boat check in takes place. There, you will also get the boat number by one of the referee personnel. They will attach the number to the number holding device (screw/PIN are provided). There will be no further numbers. In case of loss of the boat number, there will be a fee of € 10,00. The boat number will be removed by our personnell, where the boat check in, resp. check out takes place.

It is allowed to ,canoe a wave' within a start group !!
